

THE SOCIAL SCIENCE SCHOLARS PROGRAM

The Social Science Scholars Program is designed to combine the educational benefits of a small, liberal arts community with the opportunities of a Big 10 university. Students with an eagerness to learn, a passion for social justice, and a willingness to seize new opportunities are encouraged to apply.

RESEARCH OPPORTUNITIES

Every scholar has the opportunity to conduct and publish research on a topic of their choice in a peer-reviewed journal or book.

STUDY ABROAD

Scholars have the chance to take a one-of-a-kind trip to England to participate in rich historical and cultural experiences.

INTERNSHIPS

Scholars are given the skills needed to secure highly competitive internships and acquire critical professional experience.
