PERIENTIAL ARNING

EXPLORE. CONNECT. TRANSFORM.

The collage features eight distinct travel-related images. The top row includes a stone tower with arched windows, a group of people posing in front of the Tower Bridge in London, and the Big Ben clock tower. The middle row shows a camel and a horse on a sandy beach, a group of people holding a green Michigan State University flag, and an elephant. The bottom row includes the Colosseum in Rome, two women in traditional yellow dresses and leaf headbands, and a group of people in traditional African attire.
