

What can I do with a bachelor's degree in... **ANTHROPOLOGY?**

➤ **WHAT IS ANTHROPOLOGY?**

Anthropology is a humanistic science of cultural and biological diversity across time and space. It is the study of human societies, culture, and their development. Faculty at MSU specialize in socio-cultural anthropology, archaeology, medical anthropology, physical anthropology, and anthropological linguistics.

➤ **POSSIBLE INDUSTRIES**

Anthropology majors go on to work in a variety of industries, including:

- Museums & Archives
- Education
- Government
- Archaeology
- Nonprofit
- Business

➤ **COMMON JOB TYPES**

- **Museum Technician & Conservator** - Restore, maintain, or prepare objects in museum collections for storage, research, or exhibit.
- **Archivist** - Appraise, edit, and direct safekeeping of permanent records and historically valuable documents.
- **Curator** - Administer collections, such as artwork, collectibles, historic items, or scientific specimens of museums or other institutions.
- **Data Transcriber** - Operate data entry device, locate and correct data entry errors, verify the accuracy of data.
- **Anthropologist** - Research, evaluate, and establish public policy concerning the origins of humans; their physical, social, linguistic, and cultural development; and behavior.
- **Research Assistant** - Assist in laboratory, survey, and other research. May help prepare findings for publication and assist in analysis, quality control, or data management.
